Gallup Directions:

- take the I-40-BL exit — exit number 26 — toward E. Gallup
- Turn LEFT onto NM-118/E HIGHWAY 66
- Turn LEFT onto S. BOARDMAN AVE/NM-564
- Turn RIGHT onto COLLEGE DR.

Zuni Directions, from Gallup:

1. Take NM 602 South, about 25-30 miles.
2. Turn right onto BIA Route 4 to junction of SR 53. NMDOT is repairing a bridge on 602 so you will be diverted onto Route 4 regardless. Travel about 4.5 miles.
3. At Rt. 4 and SR 53 Junction, take another right (traveling west).
4. After about 3.5 miles, you'll come to an intersection with BIA Route 301. An easy way to identify this intersection is the Zuni Senior Center is on the Southwest corner, an adobe-style building with a large yellow sign. There are also signs indicating Zuni High School. Turn right, the road loops around and you're facing east again. Travel about 0.3 miles and UNM-Gallup, Zuni Campus, and Zuni High School are immediately to your left.
5. If you miss the above intersection and drive over a bridge and see a Chevron gas station, you've gone too far west.

Directions from Grants:

Drive west on SR 53 until you enter Zuni, then follow above. From Grants to Zuni is about 75 miles.
